GOOD EASTER PARISH COUNCIL

THREE YEAR ACTION PLAN

2024-2027

Good Easter Parish strives to work on behalf of parishioners on issues that matter to the whole diverse community. It aims to be effective, transparent and accountable to parishioners encouraging residents to be involved in the community's future development.

When setting the budget for the next financial year, Members are encouraged to think about what the Council wants to do and how it will achieve its aims and aspirations for the forthcoming year and beyond. This may necessitate including financial provision to enable improvements or events progress, whilst bearing in mind whether there may be grants available from national and local bodies to provide for projects that may otherwise be impossible.

This Action Plan is a live working document updated on a regular basis, enabling the Council to track progress against objectives and timescales. The document is published on the Parish Council's website.

Reviewed and re- adopted at the meeting of the 25th January 2024.

Next review due: January 2025
